

West Itchenor Parish Council

Internet Banking Policy

Background

The Legislative Reform (Payments by Parish Councils, Community Councils and Charter Trustees) Order 2014 came into effect on 12th March 2014. This Legislative Reform Order repeals the statutory requirement for 2 elected members to sign cheques and other orders for payment.

The removal of this particular legal requirement will enable the Parish Council to take an overall approach to how it controls its money as well as taking advantage of modern technology including internet banking.

The Parish Council acknowledges the need to maintain robust controls on payments as an integrated part of its overall financial control system and proposes an Internet Banking Policy as part of its Financial Regulations.

The Parish Council approved the transfer of its bank accounts from The Co-operative Bank to Barclays Bank at an extraordinary Parish Council meeting on 24th March 2014.

The Parish Council will review the procedures for undertaking payments using internet banking after an initial period to ensure its effectiveness but also on a regular ongoing basis.
